## **CONGRATULATIONS To MATT MCCOY!!**

For successfully defending his MS thesis  
titled, "Impedance Estimation Using  
Randomized Pulse Width Modulation and  
Power Converters" on June 25, 2013.

Matt is our own undergraduate student who completed his BS in Fall 2010 and joined our graduate program under Dr. Ginn's supervision in Spring 2011. He will be starting his new career at Intel, right here in Columbia.

**Best wishes to Matt!**
