CONGRATULATIONS TO NICHOLAS BISHOP!!

For successfully defending his MS thesis on ultrawideband and reconfigurable antennas on June 28, 2013

Nicholas is our own undergraduate student who was recruited by Dr. Ali in the Spring of 2011 while he was completing his BS. He was a research intern at the Air Force Research Laboratory, Wright Patterson Air Force Base (WPAFB), Ohio during the summer of 2011. He will be starting his new career at Harris Corporation, Melbourne, Florida as of next week.

Best wishes to Nicholas!
